

RPW15 Ice & Water Dispenser

Sleek, compact chewable ice hydration designed for modern office breakrooms.

Key Features:

- Produces 125 lbs of popular chewable nugget ice per day
- Compact 17.7" height, fits under most cabinets
- Safe Touch™ antimicrobial surface technology keeps touch points clean
- Touch-activated sensor operation for easy cleaning
- UV-LED light helps maintain water reservoir cleanliness
- Drainless technology allows flexible office placement
- Hot water safety dispense feature
- TDS management featuring automated evaporator flushing for reliability
- Optional base cabinet available for freestanding setup

Ice Type: Nugget Ice

Soft, porous, and easy to chew, nugget ice absorbs the flavors of your drink as it cools. Its soft, porous texture melts smoothly making it a customer favorite for soft drinks, blended beverages, healthcare settings, and office breakrooms.
