PURE WATER

RPW30 Commercial Ice & Water Dispenser

High-capacity ice and hydration built for high-demand workplaces.

Key Features:

- Commercial-grade nugget ice and ambient water dispenser
- High-capacity output: produces up to 380 lbs of ice per day
- Large Stainless Steel Storage: Heavy-duty 30 lb ice storage bin built for high traffic
- Modern sensor activation with single-point simultaneous ice and water dispense
- Single dispense point for simultaneous ice and water
- LED UV sanitation at the dispense point ensures maximum cleanliness
- Top ventilation design allows flexible placement
- Brushed metal design with easy-clean smooth surface
- High clearance stainless steel legs and large drip tray

Ice Type: Nugget Ice

Soft, porous, and easy to chew, nugget ice absorbs the flavors of your drink as it cools. Its soft, porous texture melts smoothly making it a customer favorite for soft drinks, blended beverages, healthcare settings, and office breakrooms.

Quick Specs:
